Birthday Party Information

We at HK Lee Tae Kwon Do are delighted that you are considering letting us be a part of your child's big day. We have exciting parties that are tailored to the age level(s) of your guests.

On the day of the party, your child's guests will arrive at our TKD facility and be welcomed by our experienced and friendly staff. We will create a fun filled party packed with activities that will give your guests a unique chance to both celebrate your child's birthday and experience one of your child's favorite activities - TKD! (For more details on the activities, see the sample schedule below.)

At the end of the party, we provide a gift certificate for a free week of classes to each guest (valued at \$35 each) so that they can continue to enjoy the birthday festivities long after the day has ended.

We know we can make this one of the best birthdays your child has ever had! Reserve a spot today!
